### *Go to Lytham By Electric Car*

prompted a few months of investigation by Fleetwood Museum volunteer Dick Gillingham.

He put together a collection of picturesque views of the Fylde Coast over a century ago coupled with a fascinating commentary.

The audience is taken on an electric tram car ride from Fleetwood through Rossall, Cleveleys, Norbreck, Bispham, Blackpool, St Annes and through to Lytham Hospital.

The views reflect a gentler age, when holidaymakers and residents dressed in their finest to visit the beach and stroll along the Promenade. Many long lost buildings can be viewed along with the busy Edwardian seaside scene.

**This interesting presentation is open to everyone - no need to be a member of the group.**
