## North West Air Ambulance

The Charity's helicopters fly 365 days a year, with the doctors and paramedics on board providing rapid treatment to patients across the entire North West region each year.

Just as many critically injured patients would not survive without the service that the charity provides, the North West Air Ambulance Charity would not be here without the support of its community of fundraisers and partners.

*The charity is completely reliant on public and corporate donations to keep the North West's Air Ambulance Charity helicopters operational and helping to save lives.*

**This interesting presentation is open to everyone - no need to be a member of the group.**
