What's next for next year? and how you can join in!

We enjoyed a lovely afternoon for the AGM and now we start our ninth year. We've got a list of plans and projects for the coming year that we want to share with you at this meeting. It's a chance to find out what's happening, share your ideas with us, and find out how you could get involved.

Not only are there different types of projects coming along, there are regular jobs and social, fun events to sort out too. Being involved makes you feel part of it - it's great fun and will make you some lovely friends. Everyone welcome to attend. Go on, give it a try!

This event is open to everyone - no need to be a member of the group.
